

# ECC Extended Day Program

The Extended Day program at the ECC is a more relaxed version of the regular school day for these young children who stay for a longer day. Their need for intellectual relaxation after a day of working out their busy brains at school is why we do not offer traditional “enrichment” classes at the Early Childhood level, instead offering lots of time with music and dance, books, art projects, and free play.

The ECC Extended Day program begins at 8:15 am and ends at 6:00 pm every day. Please note that you MUST sign your child out of Extended Day every day; if you do not sign him or her out, you will be charged until 6:00 pm.

Below are fees and payment options for Extended Day. The unlimited option is the best financial choice if your child regularly stays until 4:30 pm or later.

You may pay for any Extended Day option by check or through Smart Tuition.
